

Principal's Report – P&C Meeting 27 November 2024

Dear P&C Members,

Thank you

As we approach the end of another year, I wanted to take a moment to express my deepest gratitude for all the hard work, dedication, and passion you have invested in our school community throughout 2024. Your tireless efforts in organising events, supporting our students and staff, and fostering a sense of community have made a tremendous impact on our school. We truly do not know what we would do without your unwavering support. The success of our community events and the continued growth of our school is a direct result of your hard work and commitment. Your contribution helps create a positive and nurturing environment for everyone, and for that, we are incredibly thankful.

Looking ahead to 2025, we are excited to continue this strong partnership. Together, we will achieve even more and continue to build on the great work we've done so far. Your support is invaluable, and I look forward to all that we can accomplish in the year to come.

Staffing Update

As you may be aware, I have previously announced several staff who are leaving us at the end of year. I also want to acknowledge some other staff who will be leaving us and thank them for their contributions to our school.

- Miss Olivia Cockcroft (Teacher) who will be leaving us to take up a position at Inglewood PS.
- Miss Sarah Truscott (Teacher) who we hope will come back and do some relief in the school.
- Mrs Linda Salm (EA) who is retiring.
- Mrs Megan Sagers (Teacher) who is retiring.
- Mrs Viv Rocca (EA) who is retiring.
- Ingrid Shaw (EA) who we hope to see doing relief next year.
- Pip Murdoch (Teacher) who we hope to see doing relief next year.
- Elouise Walker (School Psychologist) who is moving into private practice.

We are currently finalising our staffing for 2025 and are currently running processes for teachers, a gardener and a cleaner. I will keep families updated as these appointments are made.

Class Placements 2025

We have started organising draft class lists for 2025. Final class placements will be announced to families in Week 10. All requests for placements closed on Friday 8 November, therefore we can no longer consider parent requests for 2025.

Discretionary/ Hardship Funds

Sharon has informed me that original amount donated a few years ago has been exhausted. She said that John was supposed to inform the P&C last year? The funds were used to subsidise booklists, school events including camp for a number of students, Edu-Dance, graduation etc. that disadvantaged students could not afford.

Thank you,
Denise
